

Rabbinical College of Australia & NZ

Private Transport Consent Form

Introduction

The College prohibits private casual lifts or private transportation (i.e. outside of their role within the Organisation) between personnel and a child or young person, irrespective of whether the child or young person's parents are involved or have knowledge of such an arrangement. [Exception: A personnel member who is the parent of a child or young person may provide such transportation to that child or young person.]

Children and young people are to be transported only in circumstances that are directly related to the delivery of our College programs and services. Personnel are, in their line of duty, authorised to provide transportation for the following purposes:

- For College program excursions and camps.
- To attend the Mikvah.
- To access health and wellbeing services, including doctor and Emergency Room visits.
- For interstate/overseas students, rides to and from the airport.

For any other purpose, children and young people are not to be transported without prior authorisation from the College management AND from the child's parent/guardian, through this **Private Transport Consent Form**.

This form records consent for a child/student to travel in a private vehicle to a specific external activity. Where private transport is to be utilised, the College will ensure that any person who provides that transport is the holder of a current driver's licence and Working with Children's Check (WWCC) and that the vehicle they drive is registered.

Privacy: The College is collecting information about you and your child in order to obtain consent for the transportation of your child by private vehicle directly related to the delivery of our College programs and services. The information in this form may be given to drivers who will be transporting your child/ren in their vehicle. Your information will not be given to any other person or agency unless the College has obtained your consent, or the disclosure is required or authorised by law.

Activity risks and insurance: Please note that the College does not have personal accident insurance cover for children/students. If your child is injured as a result of an accident or incident while participating in the activity, all costs associated with the injury, including medical costs, are the responsibility of the parent/carer. Some incidental medical costs may be covered by Medicare. If you have private health insurance, some costs may also be covered by your provider. Any other costs must be covered by parents/carers. It is up to all parents/carers to decide what types and what level of private insurance they wish to arrange to cover their child. Please take this into consideration in deciding whether or not to allow your child to participate in this activity.

Consent

Reason for transport:	
Form of transport:	
Departure location and estimated time:	
Arrival location and estimated time:	
Route to be followed (including any stops or side trips)	
Details of personnel present during the journey:	
Details of anyone present during the journey other than personnel and students:	

I hereby give consent for my child to the private travel arrangements set out in the table above. I understand that the personnel listed will provide supervision for my child and that transportation arrangements will avoid one-on-one situations.
